- Design and facilitation of a workshop process for building awareness of environmental issues and legislation as it affects municipalities; 2000; Richards Bay; Team leader (4 members, including ecologist, planner)

**Environmental training**

- Participation in the design and implementation of training to include environmental awareness and legislative requirements into the project design and implementation cycle of a municipality; 2001 – 2002; Pietermaritzburg; Team leader (4 members, including ecologist, planner, GIS)

**Environmental Impact Assessment (EIA)**

- Impact Assessment for aluminium remelting plant; 2004; Pietermaritzburg

- Design and management of the public consultation processes for
  - EIA for relocation of the "Little Lagoon" in the Port of Durban – the relocation of such an environmentally fragile ecosystem has not been attempted before and is an emotionally charged issue; 2000; Durban; Team member (3 members, including ecologist, planner)
  - EIA for expansion of a chemical processing plant; 2001; Durban; Team leader (2 members, including environmentalist)
  - EIA for widening and deepening of the entrance channel Port of Durban; 2003; Durban; Team leader (3 members, including environmentalist, facilitator)
  - EIA for expansion of petroleum processing plant; 2003; Durban; Sole team member
  - EIA for expansion of catalytic converter manufacturing plant; 2004; Durban; Sole team member
  - EIA for expansion of a casino; 2004; Empangeni; Team leader (2 members, including environmentalist)
  - EIA for conversion of pipelines from gas to waste water; 2004; Durban; Team leader (2 members, including environmentalist)
  - Closeout of Record of Decision conditions for expansion of aluminium plant; 2004; Richards Bay; Team leader (4 members, including environmentalists)
  - EIA for expansion of chemical plant; 2004; Umbogintwini; Team leader (2 members, including environmentalist)
  - EIA for housing development in sensitive coastal forest area; 2004; KwaZulu-Natal; Team member (3 members, including ecologist, planner)
  - EIA for construction of large diameter water pipeline along KZN South Coast; 2005; KwaZulu-Natal; Team leader (3 members)
  - EIA for relocation of acetylene plant; 2005; Durban South Basin; Team leader (2 members)
  - EIA for relocation of chlorine depot and construction of sodium hypochlorite plant; 2005-2006; eThekweni Outer West; Public Participation Team leader (3 members)
  - EIA for bulk water pipeline; 2006; eThekweni – uGu Districts; Public Participation Team leader (3 members)
  - EIA for proposed new bulk water pipeline; 2006; eThekweni – iLembe Districts; Public Participation Team leader (3 members)
  - EIA for desalination plant; 2006; Zinkwazi; Public Participation Team leader (3 members)
  - EIA for expansion of aluminium slag recovery plant; 2006; Cato Ridge; Team leader (2 members)
  - EIA for proposed 2007 A1 Grand Prix; 2006; Durban; Public Participation Team Leader
  - EIA for proposed new bulk water pipeline; 2007; Msunduzi, Richmond Municipalities; Public Participation Team leader (3 members)
  - EIA for proposed 2008 A1 Grand Prix; 2007; Durban; Public Participation Team Leader
  - EIA for proposed new tidal pool; 2007, Umhlanga Rocks; Public Participation Team Leader
  - EIA for proposed upgrade of pump stations and sewerage system upgrade; 2007; Mount Moreland; Public Participation Team Leader
  - EIA for proposed new bulk water pipeline ED2 to Umlaas Road; 2007, uMgungundlovu District; Public Participation Team Leader
  - EIA for proposed new bulk water pipeline Hazelmere to La Mercy Bifurcation; 2007, eThekweni; Public Participation Team Leader
  - EIA for proposed new crematorium; 2007; eThekweni Municipality; Public Participation Specialist
  - EIA for proposed new paint manufacturing facility; 2007; eThekweni Municipality; Public Participation Specialist
  - EIA for proposed new steel coating and forming plant; 2007; eThekweni Municipality; Public Participation Specialist;
  - EIA for proposed new water Booster Pump Station; 2007; eThekweni Municipality; Public Participation Team Leader
  - EIA for proposed extension to a Business Park; 2007/8, eThekweni Municipality; Public Participation Specialist
  - EIA for proposed new bulk water pipeline in iLembe DM; 2007/2008; Public Participation Team Leader
  - EIA for landfill gas recovery plant; 2008; eThekweni Municipality; Public Participation Team Leader
  - EIA for polymer dispersion plant; 2008; Umbogintwini Industrial Complex; Public Participation Team Leader

- EIA for landfill upgrade from GLB+ to H:H; 2008; KwaDukuza; Public Participation Team Leader

### **External Evaluation**

- External evaluation of an international Environmental NGO; 2008; Pietermaritzburg, KwaZulu-Natal

### **Environmental Management**

- Extensive workshopping and capacity building at the level of officials and the public as part of an EMP for the borough of Port Shepstone as part of the development of an LDP. Participants constructed environmental visions, strategies and plans developed and a monitoring and evaluation system proposed; 1999; Port Shepstone; Team member (3 members, including ecologist, planner)
- Developed "generic" core EMP for Boat Launch Sites for KwaZulu-Natal DAEA; 2002-2005; Sole team member
